Do we share your data with others?

We will not disclose your data to others unless this is necessary to meet a legal obligation or to have your data processed on our behalf by a party with whom we have entered into a processing agreement to ensure its compliance with GDPR regulations. All information entrusted to us will be treated confidentially.

We take appropriate measures to protect your personal data against abuse, loss, unauthorized access and other undesirable acts. Both the database and the books are hosted externally (within the EU) with adequate security, so they are not kept on local computers.
